

Legal/ADA Hotline Program Request

PO BOX 5648, Auburn CA 95604 | (530) 885-1624 | info@caloha.org

The Legal Hotline provides CalOHA member parks a 15-minute free consultation with an attorney experienced in the California RV Park Occupancy Laws. The consultation provides verbal advice on legal problems dealing with RV park and campground operations in California.

Much like the Legal Hotline, the ADA Hotline will assist members with questions related to disabled visitors and the park's responsibilities through unlimited, single-subject calls to our ADA specialist.

How these programs work:

- CalOHA office will forward each member request to one of the attorneys participating in the Legal Hotline or ADA program on a rotating basis, depending on urgency responses or regional based.
- This request form will provide one free 15-minute consultation on a single specific issue.
- We will request that you be contacted within 48 hours from the time the request is made.

Please fill out this form and return it to the CalOHA office.
